

Physical recreation is great for both body and mind as well as being essential for a person's well-being. In this Challenge Area, participants can either seek to improve their ability in a physical activity they already do or can try out a new sport or exercise. Physical recreation should be set at an appropriate level for each individual's capability. Activities can be undertaken on an individual basis, or as part of a team. In the case of a team sport, it is the individual effort and commitment that counts (social distancing and other appropriate COVID-19 measures should be followed).

A participant may undertake Physical Recreation activities without PAL supervision, however as the PAL is the default signature on the record sheet, the participant will need to provide evidence of the activity they carried out. This can be done through a third party supervisor (e.g. coach or gym staff) or they use of apps such as Fitbit, couch to 5km apps, Strava and MapMyRide, taking a screen shot of each session stats for their PAL. Encourage participants to reach for their own personal best. The above running sessions could be replaced/adapted to suit individual fitness levels or physical needs.

Is féidir le rannpháirtithe tabhairt faoi Chaitheamh Aimsire gan mhaoirseacht ó PAL, ach de bhri gurb é an PAL a shíníonn an leathanach taifid, ní mór do rannpháirtithe cruthúnas éigin ar an obair a rinne siad a thabhairt don PAL. Is féidir é seo a dhéanamh le maor tríú páirtí (m.sh. oiliúnóir nó foireann spórtlann chorpacmhainne) nó le feidhmchláir ar nós Fitbit, feidhmchláir Ón Tolg go 5k, Strava agus MapMyRide, ansin gabháil scáileáin a thógáil de staitisticí gach seisiún dá PAL. Spreag na rannpháirtithe chun tréaniarracht a dhéanamh. D'fhéadfáí na seisiúin reatha thusa a oiriúnú do leibhéal aonair acláiochta nó do riachtanais fhisiciúla nó gníomhaíochta eile a roghnú ina n-áit.
